5. No such transfer will be made without notice to Exhibitor in writing. An Exhibitor may not share or sublet space to another party. One Exhibitor may not exhibit the named "end product" of another Exhibitor without permission of that Exhibitor and the Exhibit Manager in writing.

12. Society for Conservation Biology and the Exhibit Manager for the meeting will cooperate fully, but cannot assume responsibility for damage to Exhibitor's property, lost shipments either coming in or going out of the premises or for moving costs. 18. If space contracted for is canceled by an exhibitor after 15 February, 2016, or if the exhibitor fails to occupy space contracted for, the Society is entitled to the full amount of the booth space charge. If the space reserved is canceled by the exhibitor before 15 February 2016, 50% of the booth fee will be retained by the Society and the balance refunded. If booth space is not occupied by 10:00 AM Sunday 31 July 2016, SCB will have right to use such space as it sees fit to eliminate blank spaces in the exhibit area.
19. Amendment to Rules: Any and all matters or questions not specifically covered by the preceding Rules and Regulations shall be subject solely to the discretion of Society for Conservation Biology.

The foregoing regulations have been formulated for the best interests of all Exhibitors; the cooperation of all Exhibitors is requested.
